

Counting Back Change

Need: coin strips (below) and play money.

Children take turns to work at the cash register! Calculate the change using the amount tendered and the item price.

Encourage children to count aloud from the price of the item as they hand their partner each coin.

Count the total change given after each 'transaction'.

<p>Paid with...</p>  <p>Cost of purchase</p> <p>55c</p>	<p>Paid with...</p>  <p>Cost of purchase</p> <p>35c</p>	<p>Paid with...</p>  <p>Cost of purchase</p> <p>70c</p>	<p>Paid with...</p>  <p>Cost of purchase</p> <p>45c</p>
