						<b>You find 30c under the couch!</b>	
<b>Start</b>		<b>You find</b> 		<b>You drop 20c on the way to school!</b>	<b>You find</b> 		<b>You give your little sister 30c</b>

**Need:**

- 1 dice
- 1 marker per player
- Large collection of coins.

Instructions

Each player begins with \$2. Roll the dice to move around the board. When a player lands on a square, they will either add or subtract from their total. The player with the most money when a player reaches the end is the winner!
