

Big Numbers X-Factor!

Instructions: The first player places one counter on a **1st Factor number** and one counter on a **2nd factor number**. Find the product (x) of the two factors and place one counter over that number on the board.

The next player may choose one of the factor counters to move. This counter may only be moved 1 square. Find the new product and place a counter on the game board.

Repeat until a player has 4 counters in a row on the game board!

1st Factor

50	3	5	4	2	40
----	---	---	---	---	----

2nd Factor

40	70	60	80	90	50
----	----	----	----	----	----

Game Board

2800	80	280	240	250	140	450
2000	270	150	80	120	400	150
