Complex Sentence Match Sheet 2

A complex sentence is an independent clause joined with a dependent clause.

1. Draw lines to join the matching clauses. The first one has been done.

2. Circle the **dependent clauses red** and the **independent clauses green**.

since the bell went	Sam came first in the race
when the music stops	you must eat your dinner
put your pencils down	you will have to see me at lunch
run as fast as you can	quickly find a seat
if you are late again	when you hear the bell
unless you are really sick	we hurried off to class
although it was very close	when you hear the starting gun

3. Add your own independent clauses to the following dependent clauses to create complex sentences.

Whereas Tim's house has four rooms,_____

_____when she saw a snake.

If I stay up late tonight,_____

_____until it was time to leave.

Complex Sentence Match Sheet 2 Answers

A complex sentence is an independent clause joined with a dependent clause.

1. Draw lines to join the matching clauses. The first one has been done.

2. Circle the **dependent clauses red** and the **independent clauses green**.

---

since the bell went

when the music stops

put your pencils down

run as fast as you can

if you are late again

unless you are really sick

although it was very close

Sam came first in the race

you must eat your dinner

you will have to see me at lunch

quickly find a seat

when you hear the bell

we hurried off to class

when you hear the starting gun

---

3. Add your own independent clauses to the following dependent clauses to create complex sentences. Answers will vary

Whereas Tim's house has four rooms,_____

_____ when she saw a snake.

If I stay up late tonight,_____

_____ until it was time to leave.
