Metaphors

**Metaphors** make a comparison between two different things. They often use *is*, *was* or *was*

For example: *Sally is a ray of sunshine*

This metaphor compares **Sally** to something **sunshine**.

Create your own metaphors using *is*, *was* or *are*.

1. Compare **the road** to something **hot**.

2. Compare **a test** to something **easy**.

3. Compare **Paula** to something **gentle**.

4. Compare **someone’s bedroom** to something **messy**.

5. Compare **a storm** to something **scary**.

6. Compare **a house** to something **tiny**.

7. Compare **a dog** to something **silly**.

8. Compare **Santa’s hair** to something **white**.
