Calculating Area by Counting Squares

Calculate the area of the following shapes. 

\[ \square = 1 \text{ cm}^2 \]

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Area = ________ cm²

Draw a shape with an area of:

a) 10 squares

b) 8 squares

Calculating Area by Counting Squares Answers

Calculate the area of the following shapes.

\[ \square = 1 \text{ cm}^2 \]

1. Area = 18 cm\(^2\)
2. Area = 15 cm\(^2\)
3. Area = 20 cm\(^2\)
4. Area = 24 cm\(^2\)
5. Area = 35 cm\(^2\)
6. Area = 24 cm\(^2\)
7. Area = 12 cm\(^2\)
8. Area = 8 cm\(^2\)
9. Area = 8 cm\(^2\)

Draw a shape with an area of:

a) 10 squares
b) 8 squares
