

## Sight Word Battle Ships

Each player writes down 4 (or so) sight words, one letter in each box, horizontally or vertically.

Taking turns, each player call a grid location (for example: B 4). If 'Player A' gets a hit 'Player B' tells what letter has been 'hit' and 'Player A' gets a second turn.

The first player to discover (and read!) all sight words wins!

Player 1	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						
G						

Player 2	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						
G
