

6s Counting Maze

Follow the path to the lighthouse!

The maze consists of a grid of numbers in circles. The path to the lighthouse is highlighted by connecting the following numbers: 6, 12, 20, 15, 20, 25, 30, 44, 54, 60, 66, and 78. The path starts at the top circle with the number 6, which has a sailboat illustration next to it. The path ends at the bottom circle with the number 78, which has a lighthouse illustration next to it. Other numbers in the maze include 16, 18, 22, 24, 36, 42, 48, 50, 57, 72, and 78. There are also illustrations of a shark, a bottle, an orca, and a dolphin.
