A fact:

can be proven by research, facts and figures, survey results and other methods.

An opinion:

can't be proven because it is a matter of personal belief or judgement.

Dragon's Lair

A new video game, Dragon's Lair has been released this week. It has a single player mode as well as online multiplayer.

The game is about exploring castles and rescuing people. The game looks beautiful which makes it easy to get lost in the game's world, Hydle Town. The music has been recorded by the famous composer, Lynda Penny. Her music fits the game perfectly.

Dragon's Lair is a long game. There are 42 levels in total. Most of the levels involve very clever puzzles which are fun to solve. Overall the levels are really fun to play through, even though they are a bit too easy at times.

Dragon's Lair is a wonderful game that needs to be in everyone's collection. It is available for download for the cheap price of \$24.95.

Separate the fact from the opinion. Remember, facts can be proved while opinions can't!
