

Fact and Opinion

A fact:

can be proven by research, facts and figures, survey results and other methods.

An opinion:

can't be proven because it is a matter of personal belief or judgement.

THRILL VALLEY

Come to our brand-new theme park, Thrill Valley!

Thrill Valley is only a short 30-minute drive from the centre of town. For this week only, we are offering entrance for the

amazing price of just \$35 per person. Our roller coaster is the

scariest ride in the country! It has four loops and reaches speeds of up to 150 kilometres per hour.

Your legs will be shaking just watching it! We also have a haunted house with incredibly real looking ghosts and monsters! For those people who prefer something more relaxing, our wave pool will be

just what you need. Feeling hungry? We have 12 different cafes and restaurants to choose from, so

there is something for everyone at Thrill Valley. We have nightly firework displays. There is no better way to finish the day than with fireworks!

Thrill Valley, the place where it's impossible to be bored!

Separate the fact from the opinion. Remember, facts can be proved while opinions can't!
