

Multiplication Puzzles

The diagram illustrates a multiplication puzzle. At the top, there are 14 black dots arranged in two rows of seven. Below this, on the left, are two circles, each containing seven red pushpins. In the center, the equation $2 \times 7 = 14$ is written. At the bottom, the equation $7 + 7$ is written. The entire content is enclosed in a dashed rectangular border with diagonal lines at the corners.
