

Multiplication Puzzles

The diagram illustrates a multiplication puzzle. It features a large dashed rectangular frame. Inside the frame, there are four circles, each containing five strawberries, arranged vertically on the left side. To the right of these circles is a 4x5 grid of black dots. Below the grid, the equation $4 \times 5 = 20$ is written in large black font. At the bottom of the frame, the equation $5 + 5 + 5 + 5$ is written in large black font. The entire scene is enclosed in a dashed border with diagonal lines at the corners.
