

How to Make Fairy Bread!

Ingredients:

- _____
- _____
- _____

Method:

1.	A simple line drawing of a slice of bread and a butter knife, representing the first step of the process.
2.	A line drawing showing a slice of bread with a butter knife spreading butter onto its surface. A block of butter and a butter tray are also shown.
3.	A line drawing of a slice of bread with a small packet of sprinkles being poured onto it. The packet is labeled 'sprinkles'.
4.	A line drawing of a slice of bread with a cross-shaped cut through the center, representing the final step of the process.

Cut the bread into four small triangles.

Cover the slice of bread with sprinkles.

Place the slice of bread on a breadboard.

Spread butter on the bread using a knife.
