

Spot's in Trouble

"Sit," said Jess.

Spot did not sit.

"Sit," Jess said again.

He still did not sit. Spot's ears stood up and he ran outside. Jess knew that the cat from next door must be out in the yard.

"Come back!" said Jess as she ran over to Spot.

Jess saw Spot barking at the fence and wagging his tail. She got Spot by his green collar and took him back in the house. Jess was mad.

"Leave that cat alone, Spot! We will try again tomorrow," she said.
