

Metaphors

Figurative Language

Metaphors make a comparison between two different things. They often use 'is', 'was' or 'are'. For example:

Sally is a ray of sunshine

This metaphor compares Sally to sunshine.

Create your own metaphors using 'is', 'was' or 'are'.

1. Compare the road to something hot.

2. Compare a test to something easy.

3. Compare Paula to something gentle.

4. Compare someone's bedroom to something messy.

5. Compare a storm to something scary.

6. Compare a house to something tiny.

7. Compare a dog to something silly.

8. Compare Santa's hair to something white.
