# Metaphors

Figurative Language

Metaphors make a comparison between two different things.
They often use 'is', 'was' or 'are'. For example:

Sally is a ray of sunshine

This metaphor compares <u>Sally</u> to <u>sunshine</u>.

Create your own metaphors using '*is*', '*was*' or '*are*'.

1. Compare <u>the girl</u> to something <u>fast</u>.

_____

2. Compare <u>bird</u> to something <u>easy</u>.

_____

3. Compare <u>Dan</u> to something <u>clever</u>.

_____
