

Onomatopoeia

Figurative Language

Onomatopoeia refers to words that **imitate sounds**:

Rewrite the sentences using onomatopoeia to make them more expressive.

1. Three hungry chicks sat in their nest, waiting for their mother to return with food.

2. Samantha and her father sat on the hill and watched the fireworks mark the new year.

3. A crowd of people turned around as a car ploughed into a traffic light.

4. The children ran as the hive seemed to explode with bees.

5. Kevin could hear his brother walking around loudly upstairs. He didn't sound happy at all.

6. The sound of the rooster broke the silence of the morning.
