

Onomatopoeia

Figurative Language

Onomatopoeia refers to words that **imitate sounds**:

Rewrite the sentences using onomatopoeia to make them more expressive.

1. Dad and the kids were excited the popcorn was ready.

2. Will tried to open the door as quietly as he could but Dad heard it.

3. Kim wrapped her arms around the trunk of the tree as the branch under her feet broke.

4. The wind blew, and the door closed loudly.

5. My mother was scared when she saw a mouse scurry through the kitchen.

6. "The bell will go soon. Time to put down you pens and close your book," Mr Lee said.
