

# Personification

## Figurative Language

Personification gives human characteristics to things that are not human.

### Human Actions

slept	pleaded	laughed	whispered
tickled	licked	giggled	grinned
danced	tiptoed	wept	begged

### Human Traits

nervous	happy	loving	lonely
charming	greedy	patient	furious
bossy	shy	curious	stubborn

Choose an object and a matching human action or trait (or both).  
Create your own sentence with personification.
