Birthday

Sam woke up early and ran downstairs. She had a big smile on her face.

"I have made your favourite breakfast," said Mum.

Sam took a seat at the breakfast table. In the centre of the table was a plate piled up with pancakes. They were dripping with maple syrup. There were four empty plates and four glasses filled with orange juice. Beside the plate of pancakes, in centre of the table, was a present wrapped in green paper with a silver bow.
