

Use Evidence

Persuasive Language Devices

Using evidence helps the reader see the author as knowledgeable.

Facts, figures or quotes helps the argument seem more reliable and convincing.

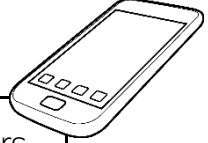

Write a persuasive sentence about the following topics using evidence to help you be convincing. Choose facts that you think will help persuade the reader.

Kids should play more sport

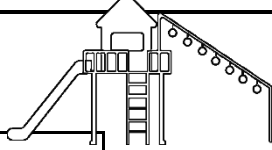

Watching TV is bad	19% of children are obese	Active kids have better concentration
Kids need at least 60 minutes physical activity every day		Sport is fun

Buy the latest phone by Orange

30% larger screen	8 Gigabytes RAM	Really cool colours
Not very heavy	22-hour battery	

Build new playground in Amberville

Over 1,000 children live in Amberville	Playgrounds are fun	Slides are the best
Doctors agree an active lifestyle is healthy	Currently no playgrounds in Amberville
