

How to Make Playdough

3. Place pot on stove over a medium heat.

6. Place dough on baking paper and then knead gently.

4. Stir until the dough thickens. It will start to turn into a ball.

2. Add warm water and oil and then mix well.

1. Mix the flour, salt, cream of tartar and food colouring in a large pot.

5. Take pot off heat and allow to cool.

Ingredients

Method
