

How to Make Playdough

Ingredients:

- 1 cup flour
- ½ cup salt
- 2 teaspoons cream of tartar
- 1 cup warm water
- 1 tablespoon oil
- food colouring

Equipment:

- large pot
- baking paper
- zip lock bags

Method:

1. Mix the flour, salt, cream of tartar and food colouring in a large pot.
2. Add warm water and oil and then mix well.
3. Place pot on stove over a medium heat.
4. Stir until the dough thickens. It will start to turn into a ball.
5. Take pot off heat and allow to cool.
6. Place dough on baking paper and then knead gently.

Keep the playdough inside a zip lock bag to help keep it fresh!
