The prince walked into the dungeon.

Where has my princess been taken?

Return home before midnight.

You horrible witch!

Which way is the castle?

The apple is poisoned!

Find the precious gem for the queen.

The castle is burning!

Give me all your gold coins.

The wolf smiled.

I'm on my way to see my grandmother.

Where does the ogre hide his gold?

Go into town and sell this cow.

She will cook us in her cauldron!

What is that smell coming from the witch's house?

Jack traded the family cow for magic beans.

Take me to your king.

The witch stirred her pot.

Who said you were going to the ball?

You're such a silly boy!

Big teeth are all the better to eat you with!

The troll is coming!

The wolf started to blow and blow.

Bow before your King.
