SORTING CARDS

 <p>The prince walked into the dungeon</p>	 <p>Where has my princess been taken</p>
 <p>Return home before midnight</p>	 <p>You horrible witch</p>

Which way is the castle

The apple is poisoned

Find the precious gem for the queen

The castle is burning

Give me all your gold coins

The wolf smiled

I'm on my way to see my grandmother

Where does the ogre hide his gold

Go into town and sell this cow

She will cook us in her cauldron

What is that smell
coming from the witch's
house

Jack traded the family
cow for magic beans

Take me to your king

The witch stirred her pot

Who said you were
going to the ball

You're such a silly boy

Big teeth are all the
better to eat you with

The troll is coming

The wolf started to blow
and blow

Bow before your King
