

Counting Back

Addition & Subtraction Strategies

Use the number line to help you count back.

$8 - \square = \underline{\quad}$	$5 - \square = \underline{\quad}$
$7 - \square = \underline{\quad}$	$8 - \square = \underline{\quad}$
$11 - \square = \underline{\quad}$	$6 - \square = \underline{\quad}$
$6 - \square = \underline{\quad}$	$12 - \square = \underline{\quad}$

Fill in the missing number on the dice to make the number sentences correct!

$8 - \square = 6$	$9 - \square = 6$
$\square - 1 = 3$	$\square - 0 = 5$
