

# 10s Counting Maze

Follow the path to the castle!

The maze consists of a grid of circles containing numbers. The path to the castle is highlighted by connecting the following numbers: 10, 20, 45, 71, 140, 150, 140, and 160. The maze is decorated with a princess at the top, a witch on the left, and a wizard on the right.
