Addition & Subtraction

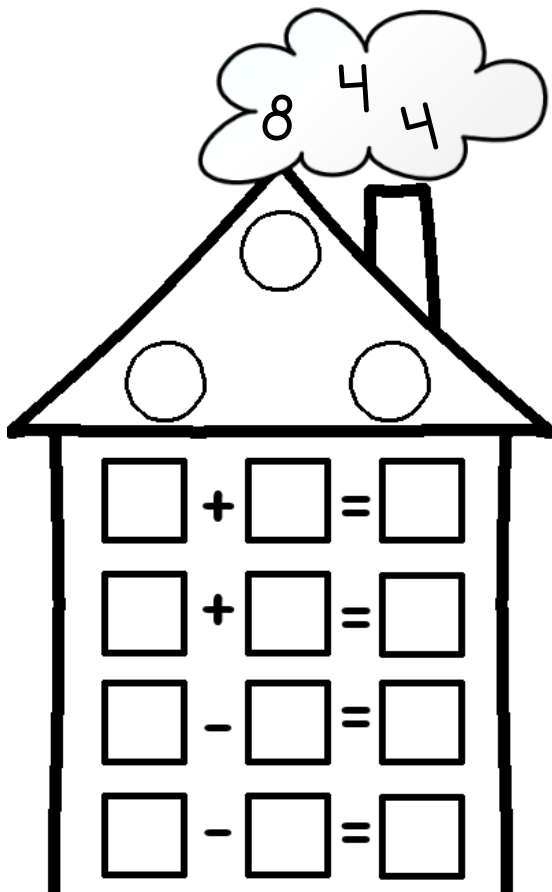

A house-shaped graphic with a triangular roof and a chimney. Inside the roof are three circles containing the numbers 2, 3, and 5. The house body contains four rows of math problems, each with three empty boxes and a plus or minus sign.

2 3 5

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

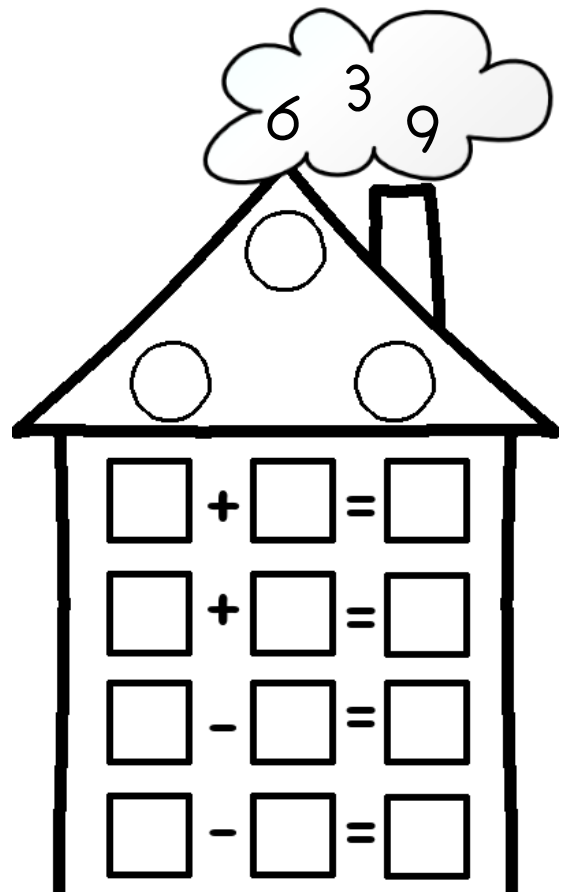

A house-shaped graphic with a triangular roof and a chimney. Inside the roof are three circles containing the numbers 1, 7, and 8. The house body contains four rows of math problems, each with three empty boxes and a plus or minus sign.

1 7 8

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

A house-shaped graphic with a triangular roof and a chimney. Inside the roof are three circles containing the numbers 8, 4, and 4. The house body contains four rows of math problems, each with three empty boxes and a plus or minus sign.

8 4 4

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

A house-shaped graphic with a triangular roof and a chimney. Inside the roof are three circles containing the numbers 6, 3, and 9. The house body contains four rows of math problems, each with three empty boxes and a plus or minus sign.

6 3 9

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$
