

Finish!							three-quarters	$\frac{1}{8}$			
three-quarters					$\frac{3}{4}$					one-quarter	$\frac{2}{3}$
	 Miss a turn!	$\frac{1}{4}$	one-half			two-thirds		 Miss a turn!			

# Fraction Run!

Place player counters on the 'Start' square. The first player spins the spinner (using a paperclip underneath the tip of a pencil) and reads the fraction. They move their counter to the first matching fraction along the gameboard.

The first player to reach the 'Finish' square is the winner!

		 Extra turn!					
	$\frac{1}{2}$				three-quarters		
Start!				one-third		one-eighth
