

# Improper Fractions to Mixed Numbers

**Improper Fraction**

Colour  $\frac{5}{2}$

**Mixed Number**

How many **whole** pizzas have you coloured?

□

$\frac{\square}{2}$

How many extra **halves** are coloured?

**Improper Fraction**

Colour  $\frac{11}{8}$

**Mixed Number**

How many **whole** pizzas have you coloured?

□

$\frac{\square}{8}$

How many extra **eighths** are coloured?

**Improper Fraction**

Colour  $\frac{10}{4}$

**Mixed Number**

How many **whole** pizzas have you coloured?

□

$\frac{\square}{4}$

How many extra **quarters** are coloured?

**Improper Fraction**

Colour  $\frac{7}{3}$

**Mixed Number**

How many **whole** pizzas have you coloured?

□

$\frac{\square}{3}$

How many extra **thirds** are coloured?

**Improper Fraction**

Colour  $\frac{10}{6}$

**Mixed Number**

How many **whole** pizzas have you coloured?

□

$\frac{\square}{6}$

How many extra **sixths** are coloured?

**Improper Fractions**

Colour  $\frac{11}{3}$

**Mixed Number**

How many **whole** pizzas have you coloured?

□

$\frac{\square}{3}$

How many extra **thirds** are coloured?

# Improper Fractions to Mixed Numbers **Answers**

**Improper Fraction**

Colour  $\frac{5}{2}$

**Mixed Number**

How many **whole** pizzas have you coloured?

**2  $\frac{1}{2}$**

How many extra halves are coloured?

**Improper Fraction**

Colour  $\frac{11}{8}$

**Mixed Number**

How many **whole** pizzas have you coloured?

**1  $\frac{3}{8}$**

How many extra eighths are coloured?

**Improper Fraction**

Colour  $\frac{10}{4}$

**Mixed Number**

How many **whole** pizzas have you coloured?

**2  $\frac{2}{4}$**

How many extra quarters are coloured?

**Improper Fraction**

Colour  $\frac{7}{3}$

**Mixed Number**

How many **whole** pizzas have you coloured?

**2  $\frac{1}{3}$**

How many extra thirds are coloured?

**Improper Fraction**

Colour  $\frac{10}{6}$

**Mixed Number**

How many **whole** pizzas have you coloured?

**1  $\frac{4}{6}$**

How many extra sixths are coloured?

**Improper Fractions**

Colour  $\frac{11}{3}$

**Mixed Number**

How many **whole** pizzas have you coloured?

**3  $\frac{2}{3}$**

How many extra thirds are coloured?
