I'm as fast as lightning!

Hyperbole is language that exaggerates in an obvious way.

It can be used to add impact to an argument.

Work out whether the sentences are examples of hyperbole or not.  
Sort each sentence under the correct heading.

Hyperbole	Not Hyperbole
It was the hottest day of the month.	My brother never stops complaining.
Nothing can stop me from winning the gold medal.	The girl was very talkative.
The baby was hungry.	My list of jobs is a mile long.
Pat was the tallest in the class.	The kids had a fun day at the park.
I could eat an elephant	I will get in trouble if I don't do my homework.
He was worried he'd die of embarrassment.	The weekend seemed like an age ago.
