

Weekend Ride

On the weekend I like,

To set off on my bike.

For a great place to play,

I know just the way.

The track that I take,

Goes past a small lake.

And that's when I see,

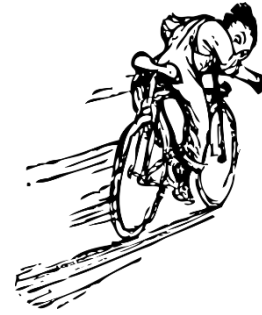

An angry looking bee!

Faster and faster I ride,

Looking for a place to hide.

Left and right I dash,

Oh no! Watch out... Splash!

Read the poem and answer the questions.
