CVC Flash Card Activities

1) **Match-up**
   - Mix up and lay all cards face-up. Match the word cards to their matching picture cards.

2) **Memory**
   - Choose one or two word families to use. Lay each card from the chosen word families upside down. Each played takes a turn to choose two cards to turn over. If these cards are a match (the picture to the word) that player keeps those cards. The player with the most cards at the end wins.

3) **Sort**
   - Take the word cards from the pile (the picture cards can be used as a variation to this activity). Sort the word cards (or picture cards) into their word family group. Say each word as it is sorted.

4) **Snap**
   - Play a game of 'Snap' using the cards. '*Snap*' the pile of cards when two matching appear (ie. a matching word and picture card). For best results print a second set of the cards. Variation- '*Snap*' when two cards begin with the same letter.
