

Camping

Level 1

Dan was so happy. He was going camping with his Mum, Dad and little sister Bella.

Dad packed the tent. Mum packed lots of food. Dan packed the sun block and Bella packed her toys.

"Let's go!" said Dad. They all sang songs as they went along in the big car.

"Are we there yet?" said Bella after a short time.

"Soon," said Mum.

At the camping spot, they all helped to put up the tent.

"I want to swim," said Dan. The water in the creek was cold. It was lots of fun playing in the creek.

Time for dinner! Bella and Dad got some sticks for a fire. They liked cooking dinner on the fire. Yum! It was so good.

It was getting dark. "Stop!" said Mum. "A snake!"

"Stay back," said Dad. He looked. No, it was just Bella's skipping rope!

Time for bed. They went into the tent and got into sleeping bags.

Goodnight campers.

Questions

Camping – Level 1
