

Theme Parks

Ever since Grandpa Ted was little, he loved to go to theme parks. He was 7 years old the first time he went. His dad took him, and they had a great time. That was a long time ago!

Grandpa Ted likes rides that spin, and he likes rides that twist. He likes rides that go fast, and he likes rides that go slow. Grandpa Ted is too old to go on all the rides now, but he still likes to see people having fun on the rides.

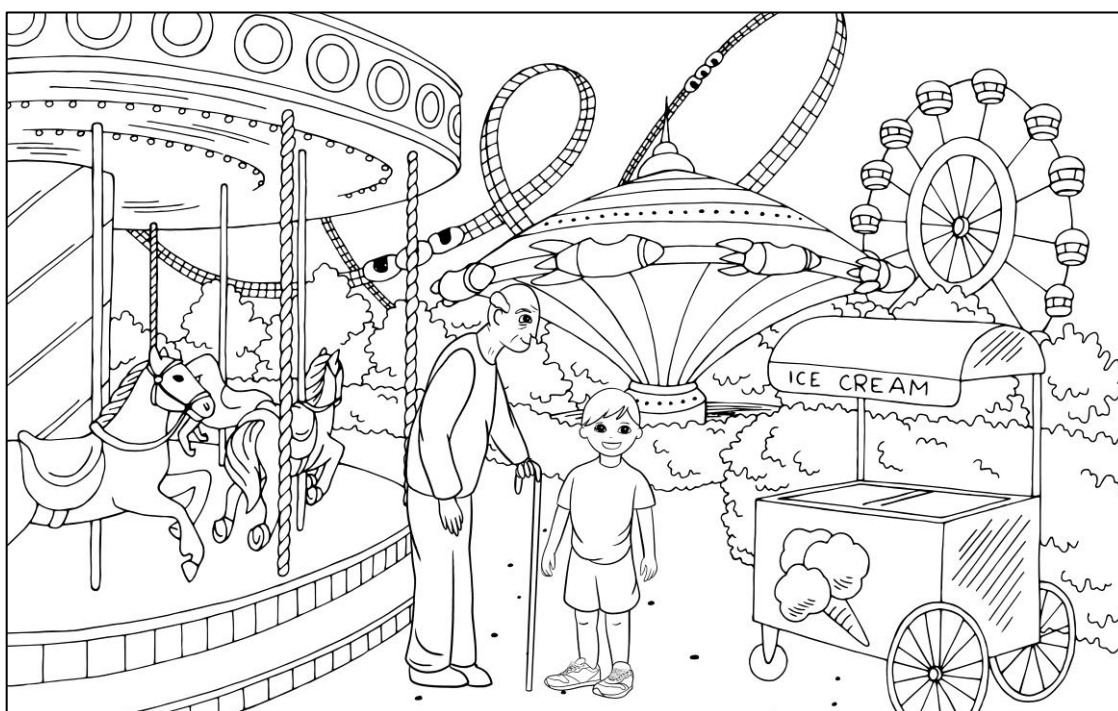

Today, Grandpa Ted is going to take Sam to a theme park for the first time. Sam is 7 years old. It was his birthday last week. Sam is very excited. Grandpa Ted has told Sam all about the rides. Sam really wants to go on a roller coaster.

“Can I go on all the rides?” says Sam.

“No. You are too little for some rides,” says Grandpa Ted. “But we will still have a great time.”

Sam smiles at Grandpa Ted.

“Don’t forget you towel,” says Grandpa Ted.

Questions
