

# Making Connections

Read the passage of text. What connections can you make?

## Birthday Present

Kim lay in bed. She was very excited because tomorrow was her birthday! Her present was waiting for her on the table in the kitchen. She knew what her present was.

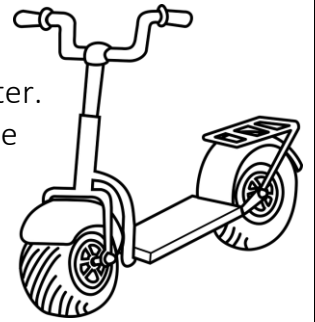

Kim and Dad had gone to the shops together. She had picked out the scooter she wanted in the shops.

“This is the one that I like,” Kim had said to Dad.

“We will see,” Dad had said back to Kim.

The next day, she saw Dad hide a box under his bed. The box was red and blue, just like the scooter!

Kim knew she should be sleeping, but all she could think about was the scooter. She would ride it up and down the street. She would build a little ramp to ride the scooter over. She would ride it to her friend’s house. Oh, what fun she would have! Kim was so excited. Her eyes were closed but her mind wouldn’t stop! Would she ever be able to fall asleep?

What connections can you make? Think about the characters, the events, and the setting.
